

SLR8 Heavy Duty 130mm Straight Line Super Bridge Roller

The SLR8 is a heavy duty bridge style cable roller for use in most cable laying applications. The design allows for the roller to be placed over multiple cables and also has the added benefit of a high elevation of the cable being laid

- Heavy duty tubular frame straight line bridge roller
- Fitted with large hoops to fit over previously laid cables
- 110mm diameter large waisted steel roller
- Sealed roller bearing fitted
- Bright zinc plated finish
- 130mm diameter cable capacity
- Size: 40cm long x 36cm wide x 34cm high
- Weight: 4.3Kg
